 - C# • python minecraft bots
-

Experience

Kitchen & Service Associate

September 2023 - Present

Zip's Drive-In, Colfax, WA

- Served ~75 hungry humans a day, headset hero and counter champion.
- Commanded the grill, cooked 100+ patties daily with sizzling precision.

Missionary

September 2021 - September 2023

The Church of Jesus Christ of Latter-day Saints, Cochabamba, Bolivia

- Evangelized with fire and humility—contacted 30+ people daily to teach about Christ.
- Led, trained, and spiritually fueled squads of up to 10 missionaries.

Facilities Maintenance

June 2021 - September 2021

WSU Dormitories, Pullman, WA

- Teamed up with elite crews of 3–5 to maintain and restore dorm order.
- Scrubbed 5+ bathrooms, 5+ common rooms, and crisscrossing halls like a janitorial ninja.

Manufacturing Technician

June 2020 - August 2020

Meter Group Inc., Pullman, WA

- Assembled and tested over 50 parts for 15 different hydrological gizmos.
- Operated in elite squads of 2–5, balancing speed, precision, and occasional solder burns.

Education

Computer Science (Machine Learning Focus)

January 2024 - July 2028 (Expected)

Brigham Young University–Idaho, Rexburg, ID

- Walking the fine line between digital logic and arcane neural wizardry.

Awards

- Survived Bolivia.
 - Made 100 burgers in a day without breaking a sweat.
 - Honored wielder of both a spatula and a needle.
-
